Gold Show – July 7-8, 2018 *(This show is a qualifier for: 2018 Ontario Dressage Championships, and Canadian National (Gold) Championships, Eastern Region)*

The Rainbow Ridge Ranch Competition weekend is sanctioned as a Gold competition of Equestrian Canada 308 Legget Drive, Suite 100, Ottawa, Ontario, K2K 1Y6 and is governed by the Rules of the Equestrian Canada.

EQUESTRIAN CANADA’S STATEMENT OF PRINCIPLE

Equestrian Canada, (EC), the National Federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction. All persons shall be committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and compassion, and that they never be subjected to mistreatment.
- Ensuring that all equestrians, including owners, trainers, exhibitors and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure.
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- Continuing to support scientific studies on equine health and welfare
- Requiring owners, trainers and competitors to know and follow their sanctioning organization’s rules and to work within industry regulations in all equestrian competitions; and
- actively promoting the development and adherence of competition rules and regulations that protect the welfare of the horse

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive nor inhumane (A602.3(f)).

Person Responsible

The Person Responsible (PR) for a horse must be an adult, who has, or shares, responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC or USEF Rules. The PR is liable under the penalty provisions of the Rules for any violation of the applicable EC or USEF Rules. For the purpose of those Rules, the Person Responsible is normally the trainer, owner or the competitor who rides or drives the horse during an event, or a parent or legal guardian in the case of junior competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables, or elsewhere on the grounds, by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden, driven or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a junior, the competitor cannot be the Person Responsible and the Person Responsible may be the trainer, or the owner of the horse, who must be at minimum, an EC or USEF member in good standing. The entry form must list the name of the Person Responsible, and be signed. In the case of junior/minor entries, a parent/guardian is entitled to sign as PR.

What is new for Rainbow Ridge Ranch in 2018?

National Dressage Pony Cup (NDPC)

Rainbow Ridge Ranch has become a NDPC Canadian Partner Show for our July 7-8, 2018 Gold Dressage show. The NDPC is a U.S. National competition for ponies managed by Jenny Carole in Cincinnati, Ohio. This year, on a trial basis, several Canadian dressage shows have become Canadian Partner Shows for offering National Dressage Pony Cup tests for the 2018 show season. To do so, Partner Shows must have at least one Pony Test of Choice class, or to provide a Pony Division. Any test at any level may be ridden, including Walk/Trot and Freestyle. Participants may receive NDPC ribbons and High Point ribbons at these Partner Shows. A special ribbon and certificate will be mailed to the show NDPC Champion from the Cincinnati NDPC Office in the weeks after the competition. Rainbow Ridge will have two Pony Tests of Choice classes to enable interested riders to compete their ponies. One class for the Equestrian Canada tests (including Walk/Trot, tests for training through level 4 and Freestyles. There also will be a NDPC class for FEI pony tests. Results, especially for comparing scores, will take into consideration differences in the degree of difficulty between tests and levels. (see below).

Any rider may request a measurement of their pony (to confirm eligibility). The measurement will be conducted by a show steward. An electronic horse recording is usually available for FEI horses.

Scores from Partner show pony classes may be counted towards NDPC Year-End Awards (even if the competitor is not a Pony Cub member). To do so scores from the partner show must be submitted (copy of original test sheet) together with pony measurement verification to NDPC office. Let Rainbow Ridge show managers know if you wish to have your results submitted.
