

2021 OADG AWARDS Criteria

To be eligible for OADG year-end awards the following criteria must be met:

Both the Owner and Rider must be members of the OADG by April 1st; this will allow members to include qualifying*** points for the early-season competitions in April, that will count towards year-end awards. Please note that only from the date that you do join OADG, your show results and points will be included

1. Riders competing at Schooling, ESD, Silver, Gold, and FEI must compete in three (3) shows at two (2) different show locations.
2. External Qualifying Scores from non-local shows are allowed for the Silver, Gold and FEI show circuits. One (1) external qualifying score is permitted.
3. Riders are expected to declare a status of JR, AA or O – on their membership forms. For Silver, Gold and FEI – AA riders must be declared by Equestrian Canada and will be verified. Undeclared AA riders will be placed into the Open category.
4. Team Challenge declaration forms must be submitted by **April 1st** and applies to all show circuits – ESD, Silver & Gold.
5. Add on scores are not tracked. Qualifying scores tracked are only for those tests in which the horse and rider have actually ridden.
6. Merit – 65% for ESD, Silver & Gold show circuits only.

OADG Score tracking – things you should know

- Qualifying scores for all OADG local shows are tracked by the awards committee.
- Riders competing in non-local external shows must submit an External Score Submission Form for Silver, Gold and Platinum shows (1 score). Note: only qualifying scores from ALL Breed shows are admissible. Thus external scores from Breed specific shows do not count.
- Award winners are determined by the three highest qualifying scores received by each horse/rider combination during the show season.
- Bronze shows are not tracked and are not counted towards OADG awards.
- Interim results will be posted on the OADG website. It is the responsibility of riders to verify their own results including spelling of their name and their horse's name.
- Qualifying scores from one circuit (Schooling, ESD, Silver, Gold, and FEI) cannot be counted towards another circuit.
- Test of Choice scores will be considered eligible scores provided the tests being ridden are outlined in the show prize list.
- Pony Cup - The OADG will capture unweighted scores from Test of Choice classes designated for Pony Cup
- If more than one judge judges the same ride, the average of the scores will be counted as the official qualifying score.

***Qualifying Score: Three (3) qualifying scores from three (3) different shows and two (2) different show locations i.e. top score in the level you are competing at from three (3) different shows; levels cannot be combined.

- Only Equestrian Canada approved dressage tests are eligible for OADG Awards. The only exception is the Walk Trot tests for ESD shows. The new EC Walk Trot test OR the Cadora Walk Trot tests may be used. For Schooling Shows, Cadora dressage tests will be used.
 - The same Horse/Rider combination may be awarded an OADG Champion or Reserve Champion in the Schooling and ESD circuits for the same level.
 - The same Horse/Rider combination may be awarded an OADG Champion or Reserve Champion in the Silver and Gold circuits for the same level.
 - However it is not possible for riders who qualify in the ESD circuit and in either the Silver and/or Gold circuit; in this case the higher circuit trophy is awarded.
 - 2020 Awards will be given out as follows:
 - Schooling: Medallions for Champion, Reserve and Third Place
 - ESD Circuit, Silver Circuit, Gold Circuit and FEI Circuit:
 - *Champion Trophy & Stall Plaque*
 - *Reserve Champion Stall Plaque*
 - *3rd Place Medallion*
- Merit Medallions will be given out for:
- *ESD, Silver, Gold, and FEI – three (3) scores of 65% or higher*
