

2024 OADG AWARDS Criteria

To be eligible for OADG year-end awards the following criteria must be met:

- Both the Owner and Rider must be members of the OADG as per our Membership Rules, including foreign horses.
- Must accumulate three (3) Qualifying Scores. This applies to all scored awards unless otherwise stated. These are scores achieved from:
 - At least three (3) separate shows – the highest score from each show qualifies
 - At least two (2) different show locations (except for the schooling show series where one location is allowed)
 - At least two (2) different judges
- Year-end award forms must be received by the deadline published on the website page www.ottawadressage.ca/awards.
- It is the competitors' responsibility to verify published scores and report any necessary changes to the Awards Director by the deadline published on the OADG website. No changes to scores will be accepted beyond the published deadlines.
- Other awards may use this same criteria for scores, they will be indicated that OADG criteria will be used.

OADG Score tracking – things you should know.

- Qualifying scores for all OADG local shows are tracked by the awards committee. Only scores 50% and above will be tracked.
- Refer to the OADG Website Shows page for the list of local shows. Only scores from these shows are accepted with the following exceptions:
 - Riders competing in shows outside of the Ottawa area (external) must submit an External Score Submission Form for Silver and Gold awards, including FEI awards for FEI classes at Gold or CDI shows. Only one (1) external score is permitted.
- External Scores Notes:
 - for FEI awards for FEI classes at Gold or CDI shows, one (1) external CDI as well as one (1) local CDI score is permitted. The external CDI score must be from within Canada.
 - for the CDI Achievement Award, three (3) CDI scores are required and may be from within or outside of Canada.
 - only qualifying scores from ALL Breed shows are admissible. Thus external scores from Breed specific shows do not count.
- Riders are expected to indicate a status of JR, AA or O – on their membership forms. For Silver, Gold and FEI, and CDI Achievement Award – AA riders must be declared by

Equestrian Canada and will be verified. Undeclared AA riders will be placed into the Open category. Schooling Circuit riders will use the status declared when they joined Ontario Equestrian.

- “Add on” scores are not tracked. Qualifying scores tracked are only for those tests in which the horse and rider have actually ridden.
- Bronze shows are not tracked and are not counted towards OADG awards.
- Interim results will be posted on the OADG Website Awards page partway through the season. It is the responsibility of riders to verify their own results including spelling of their name and their horse’s name.
- Qualifying scores from one circuit (Schooling, ESD, Silver, Gold, and FEI) cannot be counted towards another circuit.
- Test of Choice scores will be considered eligible scores provided the tests being ridden are outlined in the show’s prize list. Masters’ Test of Choice scores are not eligible except for the Senior Rider Award.
- Pony Classes - The OADG will capture unweighted scores from Test of Choice classes designated for Pony Classes
- OADG/NDPC Pony Cup Series – 2024 Series Award rules are in development. Please refer to separate document to be issued later this season on the website
- If more than one judge judges the same ride, the average of the scores will be counted as the official qualifying score.
- Only Equestrian Canada approved dressage tests are eligible for OADG Awards. The only exception is the Walk Trot tests for ESD shows. The new EC Walk Trot test OR the Cadora Walk Trot tests may be used. For Schooling Shows, Cadora dressage tests will be used.

OADG Awards – things you should know

- Award winners are determined by the three (3) highest qualifying scores received by each horse/rider combination during the show season.
- For year-end awards where there is only one competitor, a minimum average of 60% must be achieved to win Champion, if not, Reserve is awarded. This does not apply to the Schooling Series Awards.
- For Horse/Rider combinations competing in multiple circuits at the same or different levels: Qualifying riders will be placed according to the following criteria:
 - The highest level circuit (Gold followed by Silver, ESD and then Schooling) will be placed first.
 - For the second circuit placed in, lower circuit:
 - If the levels are the same or higher, (eg Gold circuit 2nd level and Silver circuit 3rd level), the placings will be as ridden.
 - If the levels are lower (eg Gold circuit 2nd level and ESD circuit 1st level), the placing will be after all other eligible Horse/Rider combinations are placed.
 - This does not apply to the Schooling circuit where Horse/Rider combinations competing there will always be placed above any other Horse/Rider combination from a higher circuit and at any level.

- Consecutive levels (eg First and Second Level) are permitted within the same circuit (e.g. Silver circuit) and will be placed as ridden.
