

Fantastic Dressage Pony For Sale

Winnie is a 16 year old, large (14'1) pony mare (Thoroughbred/Morgan cross). Very smart and sensible, not spooky or complicated. Great with arena work and easy to hack. Showing 2nd Level this summer. Quiet enough to use as a pleasure horse, but also a great schoolmaster for adults and children.

She is VERY cute, has a fantastic loveable personality and really looks after her riders. Not marish at all. Super safe, a real confidence booster and an ideal teacher.

She is great with the farrier and vet, trailers without any issues, can be turned out with anyone and is not bothered at all by cats, dogs, kids or other horses. She really is a special girl, so to the perfect home only.
