

2008 Hanoverian Mare For Sale by De Niro

Diandra is a 16HH 2008 bay Hanoverian mare sired by De Niro out of a mare by Graf Lehnsherr. She was imported from Germany in 2008 as a weanling. Diandra has three solid gates with a powerful hind end. She has a lovely temperament on and off the ground and is very willing. She loads, clips, bathes and stands for the farrier. Full brother Dark Dandy competed in the FEI Five Year Old Division in 2008 with a top score of 77.8% and competed in the FEI Junior division in 2010 at the age of seven with scores in the mid sixties. Other full brother Delegate sold for 99 000 Euros as a foal. This mare and stallion combination has produced many fantastic sport horses. Diandra also shows great potential for jumping and a free jumping video is available upon request. This mare is under professional training and is priced to sell. Flat video:
