

# IMPROVE THE PICTURE: MAXIMIZING YOUR PERFORMANCE IN THE DRESSAGE RING

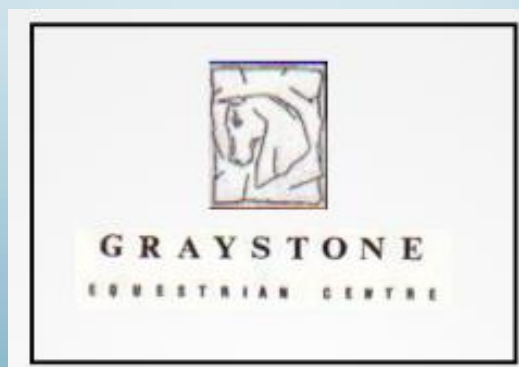

NOVEMBER 30<sup>TH</sup> 2014

*An interactive Educate Your Eye clinic with Level 3 Dressage Coach  
Kerstin Blaeske and EC 'B' Dressage Judge Anne Galt*

The morning session will focus on paces and how to get the best out of your horse, considering its conformation, temperament, and ability. Demonstration horses will represent a variety of breeds with their strengths and weaknesses. We will analyze what the judge is looking for, how it varies depending on the level and how each horse can improve and show off his/her strengths.

In the afternoon we'll look at a variety of test movements, and how expectations change according to the level. Common faults and how to correct them will be shown. Expand your understanding of how to maximize your potential at home and in the competition ring.

Questions are welcome and encouraged. Please bring a lunch. Refreshments will be provided!

**Clinic will be hosted by Graystone Equestrian Center  
613-256-7887**
