Preston Rosedale Farm Biosecurity Protocol

Protecting the health of your horses is of the utmost importance to Preston Rosedale Farm.

1. **Be sure to read the Biosecurity regulations**, it reviews simple steps we all can take to keep horses healthy!
2. **Horses Temperature** is an easy way to monitor your horse. Take and record your horse's temperature twice daily when it is at rest and NOT immediately following exercise and trailering. Horses temperature should be below 38.8 oC or 102oF
3. **Trainers** - please let anyone who is to be around your horses about the new Biosecurity regulations.

Biosecurity Regulations

Preston Rosedale Farm has compiled this list of Biosecurity Regulations for decreasing the risk of exposure or spread of disease.

Health Requirements

1. Proof of negative Coggins is required and must be dated within the last 12 months.
2. You must provide proof of vaccination and Coggins for ALL of your horses on the grounds, showing or not. Required vaccinations are: Equine Influenza and EVH 1 & 4 (Rhino) within 6 months (+21 days grace period) before arrival at the event.
3. Keep copies of your vaccination records on you as you may be asked by Preston Rosedale Farm personnel to present your health papers at any time.
5. If proper records are not immediately available, the horse(s) will be asked to leave the grounds.

Direct and Indirect Contact between Horses and People

The most common path for spreading germs and disease is contact among horses, humans and other animals. Bodily fluids such as nasal discharge, saliva and sweat can carry germs which are easily transmitted from horse to horse through direct and indirect contact.

- Limit horse-to-horse contact.
 - Limit horse-to-human-to-horse contact.
 - Limit horse-to-dog (other animal)-to-horse or horse-to-dog-to-human-to-horse contact.
1. Dogs are not permitted on the show grounds.
 2. Restrict unnecessary movement of horses on show grounds.
 3. Don't let horses make nose-to-nose contact.

Soiled Equipment

Soiled equipment is another common path for spreading germs and disease. Nasal discharge, saliva, sweat, and even soiled bedding can carry microbes and spread them via shared items such as tack, equipment, hoses, buckets, grooming supplies and towels.

1. **Do not let water hoses touch buckets when filling.** Contact with a contaminated surface on a water bucket can be easily transmitted to the next bucket contacted.
2. **Do not allow horses to drink from the hose.**
3. **Do not share water or feed buckets.**
4. **Have hand sanitizer readily available**, and use it between grooming/tacking up horses. Keep it handy in your grooming kit and at your trailer.
5. **Use clean brushes and towels on each horse.** If you don't have enough brushes for each horse to have his own set, be sure to wash them often.
6. **Don't share tack and equipment**, especially bits and bridles, unless they are cleaned between each use.

Preston Rosedale Farm CONTINGENCY PLAN

Monitor your horses and contact the show secretary if you notice any unusual symptoms. Any sick or suspect horses are to be reported right away and will be removed from the property. If horses cannot be removed, they are to be kept away from other horses and isolated until veterinary care has been made.

EC SPORT LICENSING 2025

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2025: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a coach on-site can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form. Coaches that are not present at the event with the athlete are not to be listed on the entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”
